TO: ALL PIPELINE, TERMINAL AND CLEANING PLANT OPERATORS

The Alberta Petroleum Marketing Commission is advising all pipeline operators of a reallocation of the Crown Royalty volumes among Marketing Agents effective with June 2015 production.

The APMC has negotiated an Agency Agreement with Shell Trading Canada to manage and market the Crown's Royalty share of crude oil production on behalf of the Crown.

Attached is a pipeline allocation list indicating the pipelines where the Crown volumes are being managed by Shell Trading Canada and those that will continue to be managed by the APMC.

The Crown Agent is responsible for all aspects of shipping the Crown's Royalty share which includes Notices of Shipment and scheduling. The pipeline operator is required to maintain a separate account and reporting for the Crown's Royalty share which includes Form C's, Draft Shipper's Balances (weekly position reports) and Shipper's Balances. The pipeline operator will continue to deliver these documents to the Crown Agent on the specified COLC and Industry Reporting Calendar dates. The pipeline operator will also provide copies of Form C's and draft balances (weekly position reports) to the APMC at CalgScheduling.Energy@gov.ab.ca. Final Shipper's Balances will continue to be submitted to CalgCSB.Energy@gov.ab.ca.

Pipeline operators will continue to provide tariff invoices, equalization statements and single shipper facility net out invoices to only the APMC for financial settlement. Amended shipper's balances received after the Industry Reporting Calendar deadline will only be accepted with prior approval.

As is the current practice, it is the responsibility of the battery operator to deliver the Crown's Royalty oil to the pipeline or terminal identifying the Crown volume separately. The battery operator will report the forecasted Crown Royalty volumes to the pipeline on the Form A, as well as provide shipper splits to the pipeline, identifying the Crown's volume. The battery operators will report any Form B adjustments on the Crown's Royalty share to the Crown Agent.

We look forward to continuing the cooperative relationship we have enjoyed in the past. If further clarification is required please contact the undersigned at (403) 297-5470.
